 - c. A multiple district is a defined territory comprised of two or more sub-districts.
 - d. A provisional district is one in the development stage as defined in Paragraph E of this Chapter IX.
 - e. A provisional region is a defined territory consisting of nine (9) to sixteen (16) clubs in an otherwise undistricted territory.
 - f. A provisional zone is a defined territory consisting of three (3) to eight (8) clubs in an otherwise undistricted territory.
 - g. The titles “provisional district,” “single district,” and “sub-district,” and definitions thereof, shall be and are used solely for purposes of clarity of intent and shall not be considered as required titles for districts which they concern. For all other purposes of the association, provisional districts, single districts, and sub-districts shall be referred to and known simply as districts.

2. PROVISIONAL ZONES AND REGIONS

- a. At the time three (3) to eight (8) Lions clubs have been chartered in any nation, colony or territory that is otherwise undistricted, the international president, with the concurrence of the board of directors, shall have the power to form such clubs into a provisional zone. The delegates of the clubs which comprise said provisional zone may elect a provisional zone chairperson.
- b. When nine (9) to sixteen (16) Lions clubs have been chartered in any nation, colony or territory that is otherwise undistricted, the international president, with the concurrence of the board of directors, shall have the power to form such clubs into a provisional region. The delegates of the clubs which comprise said provisional region may elect a provisional region chairperson. The provisional region chairperson shall divide the region into zones and shall appoint one zone chairperson for each zone in the region.

E. PROVISIONAL DISTRICTS

1. When seventeen (17) or more Lions clubs have been chartered with a total of four hundred fifty (450) Lions within the confines of a nation, colony or territory that has no other districts, the international president, with the concurrence of the board of directors, shall have the authority to form such clubs into a provisional district and to appoint an acting district governor who will then fill the position of district governor the next fiscal year.

The acting district governor so appointed shall form a cabinet of acting district officers of at least five (5) members, in accordance with the International By-laws Article 8, Section 7 District Cabinet with such other cabinet members being known as the first vice district governor, second vice district governor, region chairperson (if the position is utilized during the district governor's term), cabinet secretary-treasurer and zone chairperson who shall serve in the appointed position for the remaining months of the year and throughout the following fiscal year. The effective date of a new provisional district will be determined by the board of directors. The board of directors may grant the acting district governor a budget, not to exceed \$75 per club, to be used for expenses relating to club development and the management of the district and in accordance with the District Governor Expense Reimbursement Policy as outlined in Paragraph B. of this chapter.

2. Following the initial appointments, the board of directors shall appoint the governor of a provisional district annually. Provisional districts must submit the recommendation of a qualified Lion to serve as district governor no later than March 1st of each year to the District and Club Administration Division. It is recommended that provisional districts hold the annual conventions prior to the March 1 due date so a recommendation can be made using the district election process set forth in the International Constitution and By-Laws. In cases when the convention cannot be held prior to March 1st, a special meeting may be called to select a candidate to recommend to the board of directors. It is recommended that the district promote the first vice district governor to the district governor elect position. A vote of "no confidence" cannot take place at a special meeting. If the Lions who attend the special meeting fail to recommend the first vice district governor as district governor elect, then the district must hold a special meeting of the club delegates of the district to recommend a district governor elect in accordance with the district governor election process. The election process must meet the requirements as outlined in International By-Laws Article IX District Convention and Elections and conducted in accordance with the provision of the respective district constitution and bylaws. It should be further noted that in all cases the outcome of the convention or the special election is only a recommendation to the board and in all cases, the International board of directors will make the final appointment. When the recommended Lion is not the district's first vice district governor, the district must submit a written explanation detailing the reason why the first vice district governor was not recommended.
3. Upon reaching a minimum of 35 clubs and 1,250 members in active status as reported on the association's cumulative membership report ending June 30, the provisional district will be recognized as a full district at the beginning of the following fiscal year.

4. The International Board of Directors reviews the designations of provisional districts twice annually.

F. TRANSITIONAL DISTRICTS

Transitional districts are districts that are not provisional districts and have fewer than 35 active clubs or 1,250 active members as reported on the association's monthly cumulative report. Transitional districts remain in transitional status until the district reaches 35 active clubs and 1,250 active members.

G. SINGLE CLUB TRANSFERS

A club may transfer from one district to an adjacent district and boundaries changed accordingly without the necessity of following the formal redistricting procedures if such transfer does not substantially change the existing district boundaries. The approvals of a majority of the members of the club, the current district governors of the respective adjacent districts, and the district governors' cabinets of the respective adjacent districts are required. Documents signifying the approvals are submitted to the international office for review and action.

H. REDISTRICTING

The following policy shall apply with respect to each redistricting proposal submitted to the International Board of Directors pursuant to Article VIII, Section 3 of the International By-Laws:

All redistricting proposals must meet the requirements below, and be submitted and filed with District and Club Administration Division 60 days prior to the October board meeting for which they will be considered. No additional documentation submitted after this date will be accepted.

 - a. A list of clubs that would comprise each proposed sub-district containing each club's total membership. Each proposed sub-district must have the minimum of 35 clubs with 1,250 members in good standing 60 days prior to the board meeting for which it is considered and sustain membership strength through the time that the redistricting takes place.
 - b. A map clearly defining the proposed boundary lines or changes in boundary lines for each district. The proposed districts should be established in a way that allows for efficient district management and minimal travel and administrative costs.

- c. Payment of US\$500 as a redistricting fee for each new district, sub-district or multiple district proposed.
- d. Districts and multiple districts submitting a request must include the following from each voting body evidencing that the proposed redistricting plan obtained the necessary approval.
 - (1) A full copy of the minutes, certified with the signature of the District Governor, First Vice District Governor and Cabinet Secretary for single district or sub district(s) minutes, and the signature of the Council Chairperson and Council Secretary for multiple district minutes, who were in office during the convention or special convention in which the redistricting was approved.

The minutes must reflect that a majority of the registered and certified delegates approved the resolution by written and secret ballot and must include the ballot count. The minutes must also reflect that the results were announced to the delegates during the convention. It should be noted that only a majority vote, and not a two-thirds vote, is required for consideration by the International Board of Directors.

- (2) A copy of the published proposal, which must include a full and clear description of the proposed districts and/or multiple districts by clearly defining the territories for each proposed district and/or multiple district by official geographic boundary, a list of clubs to be allocated to each proposed area and a clearly marked map.
 - (3) Verification that the full proposal as noted in item 1.d.(2)., was circulated to each club in the single district, sub-district(s) and multiple district no later than 60 days prior to the convention for which the vote was taken.
 - (4) Explanation of how the multiple/sub-district(s) will be better served through redistricting, including a detailed plan that outlines goals and action plans to support membership growth, leadership development and club support initiatives.

Approval is required from the convention of the multiple district. An explanation is required outlining the programs recently implemented by the sub-district(s) to increase membership and why redistricting is still needed. In these areas, if the plan results in a sub-district that does not meet the 35 club and 1,250 member minimum, the proposal may be considered if it helps strengthen or improve the management of a sub-district and support of clubs.

3. **MULTIPLE DISTRICT REDISTRICTING:** A multiple district proposing to redistrict, but is not changing sub-district lines, must submit the items as outlined in item 1. above, but need only submit items noted under 1.d. at the multiple district level. Minutes showing the approval of the proposal and subsequent district name changes by a two-thirds vote of the district cabinet members from two-thirds of the districts is required prior to the multiple district putting forth the resolution.
4. The proposed name of the district and the multiple district must meet the naming criteria as established by Lions Clubs International. When a proposal divides an existing sub-district, the name of one of the new sub-districts should be the same as that of the original sub-district if circumstances so permit.
5. All approved redistricting proposals shall take effect at the adjournment of the next international convention unless a later International Convention is specified.
6. Any objections with regard to the procedure or process followed to gain approval of the resolution and the district (single, -sub or multiple) must be resolved utilizing the appropriate dispute resolution process.
7. The election of the district governor, first vice district governor and second vice district governor must take place following the approval of the proposal by the International Board of Directors and prior to the International Convention for which the redistricting will follow. The election must take place during a properly called meeting of the delegates of the new district. It is suggested that the election take place during an existing district or multiple district convention for which the delegates would normally attend. Redistricting proposals that are approved during the October or November board meeting that are scheduled to take place at the close of the International Convention of the same fiscal year must hold elections before January 1, to enable the district governor elect to attend the First Vice District Governor/District Governor Elect Seminar held in February.
