# How will you “Leo-Lion?”

## Join or Charter a Leo-Lion club

A Leo-Lion club is a great way to serve with other former Leos and young Lions.

- At least 10 of the 20 minimum charter members need to be former Leos.
- Young Lions through the age of 30, in Leo-Lion clubs, receive the same Leo-Lion program discount.

## Join or Charter a Campus Lions club

- Serve while attending university, college, technical or post-graduate school.
- Improve your leadership skills, build your resume, network and form new friendships.

## Join an existing Lions club

- Get started right away by joining your local Lions club! Continue answering the needs that challenge your community and those around the world as a Lion.

## Form a club branch

- Ask your sponsoring club, or another club in your area, if you and your friends may form a club branch.
- Club branches can be formed with just five members.
- Plan activities and service projects meaningful to you and members of your club branch.

## A special way to serve

- Are you passionate about a specific cause? Then a **specialty club** might be right for you!
- These clubs bring members together who share common interests, professions, culture, hobbies, or life experiences. Consider starting a young professionals’ specialty club, and invite your friends to join you.

## Need more flexibility in your schedule?

- Consider **virtual meetings** for your club, and enjoy the convenience of planning events from your home or while traveling.
